

## OUR RESPONSE TO THE COVID-19 CRISIS

For the past 15 years, Knorr Marketing Communications has been committed to partnering with our clients to develop creative solutions while maintaining a safe working environment for our team. Our mission remains the same during these challenging and unprecedented times.

Our team has been flexible and started working remotely as early as March 16. We embraced new technology and new applications while continuing to serve our clients. We continue to closely monitor and follow all guidelines and procedures outlined by the CDC and WHO, as well as city and state orders.

No matter where we're working, KMC and KMC Events continue to work hard for our clients, stay on top of industry trends and professional education, research new ideas and collaborate. As we weather this storm together, we look forward to the time that we can be together again!

In the meantime, please reach out to us if you need any marketing, public relations, creative or event planning services during these unique times. Now more than ever, we're here to tell your story.
